PRESALE 45%

A large portion of \$PsyCat wealth will be allocated towards the initial presale. The aim here is to provide ample opportunity to bolster the movement and give it the traction it needs to get started.

MARKETING/KOL DEALS 30%

This chunk is placed aside to sway prominent voices to the cause of the Cat, and maximize the movement's reach. By setting up a strong marketing campaign early on we will ensure that the Cats call is heard the world over.

DEX 15%

This piece is laid aside to facilitate a smooth takeover of the DEX, and a sure death to the dog coins.

STAKING 10%

Staking \$PSYCAT allows loyal supporters to earn daily, cumulative rewards straight from the mind of PsyCat himself, with a psychotic APY designed to reward early adopters and long-term holders.

UTILITY

WEN UTILITY?

DAILY STAKING REWARDS

Blessed by Psy Cat, early supporters will enjoy daily, cumulative staking rewards. The earlier you pledge yourself to the cause the sweeter the victory will be.

PSYCHOTIC APY

Straight from the mind of the murderous cat himself is a frankly insanely high APY promised on any presale stake.

RECRUIT AND EARN CAMPAIGN

By bringing your friends to the cause you not only swell the ranks of Psy Cats growing legion, but also his heart too. Those that show such dedication to the cause will be blessed with the most illustrious of rewards, and a place by Psy Cats favorite sleeping box.

PRESALE

The presale is your chance to prove undying loyalty to PsyCat and his regime of lunacy. Buy in during this brief period before his reign is complete and you will be rewarded beyond your wildest fancies.

MULTI-STAGE PRESALE PLAN

The \$PSYCAT presale operates on a daily price increase model, ensuring that the earlier you join, the greater your rewards. Prices rise every 72 hours, adding urgency to the chaos and guaranteeing that loyalty and swift action are always rewarded in PsyCat's cult.

STAGE 1: THE CULT AWAKENS

The presale opens with a purr-fect opportunity for true believers to grab \$PSYCAT tokens at the lowest price they'll ever see. For the first 24 hours, early supporters can secure their spot in the PsyCat hierarchy at an absolute steal. But beware—when the clock strikes, prices will rise, and the unfaithful will have to pay the price of hesitation.

STAGE 2: FELINE FRENZY

The second stage is when the presale reaches a fever pitch. Daily price increases continue, and PsyCat rewards his loyal cultists with giveaways, absurd community challenges, and exclusive opportunities for those who stake their claim before the presale concludes. Marketing campaigns and recruitment efforts will ensure the PsyCat movement dominates the meme coin space, driving fomo sky-high.

STAGE 3: THE FINAL LEAP

The presale concludes in a blaze of glory, with prices peaking in the final 24 hours. Hesitant doubters must now pay a premium to secure their spot in the PsyCat empire. By this stage, the presale has laid the foundation for a chaotic, yet unstoppable revolution..

PSYMAP

Q4 2024

Get all the balls of yarn, grind them up into tiny shreds and bake a batch of biscuits. Season with regret.

Q1 2025

Mark all the trees in the graveyard, so all who enter shall know the true lord of the earth. Follow standard practice guidelines for responsible marking.

Q2 2025

Raise a horde of feline allies to spite the canine pretender, then march. Grumpy will be in charge of provisions for the march. N.B. don't let Doge see the provisions.

Q3 2025

Take a little holiday, maybe.. Somewhere secluded, with a decent culinary tradition. Sardinia would be nice, although I know that bastard dog next door travels there sometimes...

COMMUNITY
